Christmas Store

Christmas Store is coming! We are accepting donations of new or gently used and clean potential gift items (that are not clothes) for moms, dads, brothers, sisters, grandmas, grandpas, and pets in the big box by the office.

When you donate awesome things then our Store becomes a big success! For more information about the Store, or to volunteer to assemble gifts, please contact Kat at jkgooheen@shaw.ca.

Fall Fundraisers

Here are some highlights of upcoming fundraisers to help achieve our goals for art supplies and an outdoor classroom. In October we will be fundraising with Lice Bands and Neufeld Farms frozen foods. Lice Bands is a local family run business that sells hair and wrist bands that help prevent lice through essential oils. Neufeld Farms provides quality frozen food to make quick and easy meals and desserts.

November fundraisers are Purdy's chocolates and poinsettias to help get ready for the holiday season. We also have year round fundraisers through Mabels Labels and Nature's Fare. Bring your Nature's Fare receipt to the office and the school will receive 3% back. Stay tuned for more information on newsletters and papers sent home with your child.
