For the first time in quite a while, Blacklock PAC will be hosting a Kids Swap on February 22 from 10-2. There will be 5 tables of new product vendors (clothing, soaps, etc) and over 25 tables of second hand items for kids and babies (clothing, toys, games, maternity items, sporting goods, etc.) Tables are still available and it's a great opportunity to do some spring cleaning or even have older children sell their own things. Please come out to shop and help make this a fantastic event. All money raised will go towards an outdoor classroom and garden. Email Michelle at blacklock.fundraising@gmail.com for more information.
