ENGAGING THE WORLD

2020 Spring Break SUPERHERO Academy

The Professional Development Program from Simon Fraser University is excited to offer four days of hands-on, action-packed activities this **Spring Break** from **Tuesday, March 17th through Friday, March 20th, 2020** for students from grades K-5.

This unique opportunity is part of a wonderful community partnership between Simon Fraser University and the Langley School District. During the four day Superhero Academy, children will participate in a number of different activities such as games, literacy, art, science, math, and of course- **FUN**. The daily focus will be on **teamwork, kindness, courage and creativity**.

All sessions are fully supervised by student teachers in the Professional Development Program as part of their teacher training and they will be working under the supervision of certified teachers. Each session is designed to excite and delight participants with hands-on learning opportunities to develop curiosity and imagination!

The Spring Break Camp will be offered at **Nicomekl Elementary**. There is no cost to this program but families must pre-register and there is limited registration. The four days of activities will run from **9:00 a.m. - 2:45 p.m.** each day. Children must be picked up promptly at 2:45 each day. It is also important to note that the program is not able to provide additional supports for participants. If you are unsure as to whether this is a good fit for your child, please talk to your child's principal prior to registering.

Families must complete a registration form and submit it to the school office. Registration is limited on a first come first served basis. Participants will need to bring snacks, a bag lunch, a water bottle (with their name on it). They should be dressed comfortably and come ready to have FUN.

Successful applicants will be notified by email by March 6th. IF YOU MUST CANCEL, PLEASE EMAIL karinwright@sd35.bc.ca. Please help us out by letting us know immediately if you will not be attending so we can make a spot available to someone on the waitlist.
