Principal: Ms. Susanna Eppich

Admin Assistant: Mrs. Sabina Weber

## Student Registration for the 2021-2022 School Year

Blacklock Fine Arts Elementary welcomes new students to our school community. Our teachers and staff are eager to meet your child and your family and help them on their learning journey.

Please review the following information outlining documents needed and instructions to help register new students. Due to COVID-19, our schools will be modifying registration to meet health and safety guidelines and support the needs of families. If you have any general questions about registration, please call the school at 604-530-3188.

You will need to produce the following documents:

- Student Proof of age (Birth Certificate)
- Proof of Canadian Citizenship or Permanent Resident Status for both student and parent (Canadian Birth Certificate, Canadian Passport, Canadian Citizenship Card, Landed Immigrant documentation, Permanent Resident documentation/cards)
- Proof of residence (mortgage papers, Property Tax Notice, BC Driver's Licence, subject-free purchase agreement [less than 6 month move-in date], utility bill)
- Current vaccination records\* (school does not retain a copy)
- Registration Form (available on District website and child's school)

You will need to do the following:

1. Complete registration form (fillable pdf) and have documents ready. See above checklist.
2. Submit documents in-person or online.

Online:

Please email [sweber@sd35.bc.ca](mailto:sweber@sd35.bc.ca) and **submit copies of documents as attachments and not images inserted into the body of the email**. This will streamline the process for both parents/guardians and staff. Registration may be delayed if the required documentation is not provided

In-person:

Please visit the school office on Monday-Friday between 9:30am and 2:30pm. A staff member will receive your child's registration and documents. Staff will make copies of any documents required. Registration may be delayed if the required documentation is not provided. Please abide by COVID-19 health and safety protocols, which may include sanitizing your hands and completing a health check upon entering, signing in as a visitor, maintaining physical distancing, and wearing a mask. Please note: only one person in the front foyer at a time.

Once your child's information has been received, you will receive confirmation from the school informing you it has been received, along with other information, and further instructions (if necessary).

We look forward to meeting all our future families!

Susanna Eppich
